ABOUT ME

Dynamically skilled software engineer with almost 4 years of experience. Proficient across cutting-edge technologies, encompassing frontend (ReactJS, NextJS), backend (NodeJS, NestJS, GraphQL), and extensive expertise in MERN Stack. Committed to staying current with industry trends to architect innovative solutions.

DIGITAL SKILLS

HTML, CSS, JavaScript / SASS(SCSS) / MERN Stack (MongoDB, ExpressJS, ReactJS, NodeJS) / Typescript / React Native / AWS Amplify / Web API (REST/GraphQL) / Vue.js (2 &3) / AngularJS / Versioning tools (Git, Github) / Bitbucket, Jira / MySQL, SQL, SQLite, PostgreSQL

WORK EXPERIENCE

Application software developer
OCloud Solutions [03/10/2022 – Current]

City: Lahore

- Developed MERN stack applications, dedicating 40 hours weekly for on-time project delivery with code quality.
- Created responsive UIs using React, Next.js, and ensured pixel-perfect designs across devices.
- Practiced Test-Driven Development (TDD) for bug reduction and code robustness.
- Utilized AWS Amplify - React for streamlined cloud deployment of applications.
- Reviewed code collaboratively, providing valuable feedback and promoting a teamwork environment.
- Extended skills to React Native, contributing to cross-platform mobile app development.
- Translated design mockups into functional user interfaces in collaboration with UI/UX designers.
- Conducted thorough testing, debugging, and adopted new technologies for continuous enhancement.
- Resolved complex challenges proactively in a dynamic development setting.

MERN Stack Developer
US Remote Job [17/09/2020 – 09/2022]

Country: United States

- Developed MERN stack applications, committing 40 hours weekly for seamless project execution, bug resolution, and ongoing maintenance.
- Ensured pixel-perfect designs, guaranteeing optimal user experiences across devices and screen sizes.
- Quickly addressed code issues to enhance application performance and functionality.
- Constructed new applications from the ground up in response to specific project requirements.
- Collaborated closely with UI/UX teams to translate designs into functional, visually appealing interfaces.
- Maintained a proactive approach in troubleshooting and resolving challenges, maintaining application integrity.
- Skillfully combined creativity and technical acumen to deliver high-quality applications within specified timelines.
